Climate

The typical Mediterranean climate of the Antalya region stands out due to its warm summers and mild winters. While summer temperatures can rise to 36°C, winter is blessed with temperatures up to 20°C, thus making Antalya one of the few destinations in Turkey suitable for sports training throughout the year.

The Club House

Welcome to The Club House, where you can unwind and enjoy some delicious food and refreshing drinks. With the inviting ambiance The Clubhouse is the right place to relax and socialize with friends, also to catch your breath and revitalize your energy. Our menu offers a diverse range of dishes, fresh and local ingredients. Select from ideal snacks and meals between your training sessions. From energizing salads to healthy grain bowls, our culinary team has created a unique experience that is sure to satisfy every palate and leave you feeling energized.

Corendon Tennis Club offers a peaceful and relaxing environment at The Club House with its lush greenery of nature where you can savor a delicious snack and selection of refreshing drinks, as well as a variety of hot and cold beverages.

Open Air Fitness

Introducing our newest addition to the tennis club - the Open Air Fitness! Fitness is an essential part of being a successful tennis player. That is why Corendon Tennis Club offers a wide range of fitness equipment and facilities to help you stay in top shape. Whether you prefer to work out on your own or with a trainer, we have everything you need to improve your physical fitness and enhance your game.

Our fitness facilities include a wide range of equipments such as Spinning cycles, jump boxes, ropes, TRX, a variety of free dumbbells and kettlebells, medical balls and balance boards within a stretching zone and outdoor training spaces that take advantage of the natural surroundings.

Regular fitness training can help you to improve reaction times on the court, as well as enhance your mental toughness, focus, and confidence. By prioritizing your physical fitness, you can increase your endurance, strength and agility on the court. Experience a whole new level of fitness as you breathe in the fresh air and soak up the sun while working out.

Jogging around the tennis courts and incorporating breathing exercises into your routine can be a great way to improve your overall fitness for tennis. Stay motivated with our expert trainers who will guide you through various fitness routines tailored to your needs.
